

Remembrance Garden Prayer Service

Thursday, May 16, 2019 at 2:00pm

2501 Troy Rd. (Rte. 7) Niskayuna

Please join us on Thursday, May 16th at 2pm as we gather with Capital Region families at Most Holy Redeemer Cemetery in Niskayuna for a special prayer service to honor the memory of babies who were born into the arms of angels and celebrate the joy of love.

Dedicated in 2013, the Remembrance Garden is a memorial for those who have experienced the devastating loss of a baby, whether it was years ago or a more recent loss. It has blossomed into a place of peaceful reflection for families who have experienced a miscarriage or the death of a baby, either before it was born or shortly after birth. It is a space to meditate; a place where the existence of a baby is affirmed even if the baby was never acknowledged. This garden of healing is where families can openly grieve the loss of their child, and mourn their shattered hopes and dreams. It is a place to memorialize a life that ended far too soon, and is intended to bring comfort to those whose empty arms bring such heartache.

If you or someone you know has suffered the loss of a child, we hope you consider attending and sharing this service information.

“My biggest worry was that our baby would not be remembered. This garden means that our baby will not be forgotten.”— Nicole Willbrant, Brunswick.
